

In the Specification

On page 25 (first full paragraph), lines 3 to 5, replace:

"The or each electrically conductive element may comprise a track on a printed circuit board. The conductivity of the or each electrically conducting element may be in the range from 1 to $4 \times 10^5 \text{ S.cm}^{-1}$."

with:

"The or each electrically conductive element may comprise a track on a printed circuit board.

The conductivity of the or each electrically conducting element may be in the range from $1 \times 10^0 \text{ S.cm}^{-1}$ to $4 \times 10^5 \text{ S.cm}^{-1}$."
